

Safety, Health & Welfare at Work (Construction) Regulations 2013.

A Client is a person for whom a construction project is carried out. This now includes a person having construction work carried out on their own home.

The Client's duties under the regulations include:

- Appointing competent persons to carry out the construction work
- Appointing Project Supervisor for the design process and for the construction stage where necessary.
- Keeping a Safety File.
- Sending notification of the works to the Health and Safety Authority where necessary.
